PROGRAM REQUIREMENTS AND INFORMATION

The program can be completed in 4 or 6 semesters - 21 credits total. The three Ps (Adv Patho, Pharm, and Physical Assessment) preceded all clinical courses.

We accept up to 7 credits for transfer. Please consult with Dr. Saunders.

Our program has been online since 2007. It is student friendly and faculty to support students on this journey during and beyond graduation. We host students from all over the country. Please check with Dr. Saunders on your state's requirements before applying.

Clinical sites and qualified preceptors are identified near the student's home to complete the required clinical components. We assist in that process.

A NOTE TO ONLINE STUDENTS

It is the responsibility of all applicants applying for admission in an online graduate nursing program to confirm if the program meets specific licensure requirements in the applicant's state of residence. Applicants should contact the applicable licensing board to determine the specific requirements for State licensure.

***OUR GRADUATES BECOME CERTIFIED AND LICENSED APRNs SHORTLY AFTER GRADUATION AND READY TO SERVE IN A VARIETY OF ROLES AS A PRACTITIONER, CONSULTANT, EDUCATOR, RESEARCHER, LEADER, AND/OR MANAGER. THE CNS DEGREE IS MOST VERSATILE FOR NURSING PRACTICE.**

At Detroit Mercy, students become Clinical Nurse Specialists who:

- prescribe patient-centered care,
- transform nurses and nursing practice,
- lead projects with an integrated and holistic viewpoint, and
- meet all competencies of CNS practice (NACNS, 2019).

Our program has 100% pass rates on national AG-CNS exams (ANCC & AACN).

Our program is ranked in "Best On-Line Master's in Nursing Programs" (U.S. News & World Report, 2020, 2021).
